

Monday 6th May

08.00 -08.30	Opening Ceremony: Chairs Professor Karen Walker and Dr Helle Haslund-Thomsen	
Plenary Session		
08.30 – 09.00	Welcome	Professor Karen Walker, President COINN
09.00 – 09.45	The role of parents and competences in NICU care and beyond - patient perspective	Livia Nagy
09.45 – 10.30	Global Neonatal Care	Professor Joy Lawn
10.30 – 11.15	Morning Tea and Exhibition	

Parallel Sessions					
11.15 -12.45	Building global partnerships	Building relations	Supporting parent-infant closeness in clinical care	Innovations in neonatal care	Supporting Health Care Workers' decision making
11.15 – 11.45	Dr Leah Greenspan USAIDs commitment to improving Quality of Care for Small and Sick newborns	Livia Nagy (partnering with parents – EFCNI)	Anna Axelin, Supporting parent-infant closeness in clinical care	Kristina Garne Holm, Neonatal Home-care	Malene Horskjær 150 Developing a guideline for early and longer skin-to-skin contact with preterm infants, DK
11.45 – 12.00	Mrs Miranda Amundsen Capacity Building in Neonatal Nursing Research in Low-and Middle-Income Countries: A Malawi Case Study	Professor Evalotte Mörelius Evaluation of the Early Collaborative Intervention focusing on interaction between parents and their moderate to late preterm infants in the NICU. A randomised clinical study	Mrs Sofia Augoustakis Duration of Infant-Parent Skin-to-Skin Contact in Neonatal wards: A Danish Nationwide Cross Sectional Survey	Mrs Temitope Sholanke Virtual tours of 13 neonatal units and the neonatal transport service in Kent, Surrey, and Sussex Neonatal Operational Delivery Network (KSS ODN).	Adjunct Associate Professor Margaret Broom Optimising neonatal nursing care: The Neonatal Nursing Outcomes Measures Study
12.00 – 12.15	Mrs Mercy Kulanga Maternal and neonatal predictors of early breastfeeding	Miss Michella Bjerregaard Parents' shared experience of	Miss Débora Querido Project "O meu primeiro mimo" ("My first gift") - Promote	Ms Ruth Davidge Feasibility of caregiver-involvement in the clinical monitoring of	Mrs Sharon Nurse An educational initiative to improve End-of-Life care for babies and their families in N.Ireland

	initiation in preterm neonates amongst postnatal mothers in selected health facilities in Mangochi District, Malawi.	separation as a family after childbirth	bonding to newborns in critical conditions before hospital transfer	newborns and young infants	
12.15 – 12.30	Ms Jemima Wanjiru Maternal factors associated with the practice of essential newborn care components among post natal mothers attending Kenyatta National Hospital	Mrs Genevieve Laporte Development and validation of a NICU-specific family resilience scale among French-Canadian families	Mrs Roisin Mckeon-carter Neonatal Transitional Care Reduces Separation of Term and Late Preterm Infants (LPI) from their Mother at Birth and the Addition of a Neonatal Outreach Service Reduces The Length of Stay for LPIs.	Mr Colm Darby Sitting Lumbar Punctures- a Quality Improvement Project	Mrs Veronica Starke Attitudes and experiences among Swedish NICU nurses regarding skin-to-skin care of infants born in 22-23 weeks
12.30 – 12.45	Mr Charles Lambert Exploring He Korowai Manaaki: the results of an Iwi and research partnership to improve neonatal outcomes	Dr Anne Brødsgaard How to support fathers of preterm infants in early parenthood – An integrative review. An abstract for the Workshop: Fathers in the NICU	Mr Anne Marit Føreland Skin-to-Skin Contact immediately after very preterm birth	Mrs Joan Neergaard Larsen Zero-separation in intensive care - Neonatal and obstetric healthcare professionals' expectations, concerns, and educational needs related to mother-newborn: A qualitative study	Hendrik Koning The COMFORT-neo scale; does the scale measure pain in extremely preterm-born infants?
12.45 – 13.30	Lunch and Exhibition				

Plenary Session		
13.30 – 14.10	Professor Renee Flacking	Design and culture influencing closeness in NICU
14.10 – 14.50	Professor Mats Eriksson	Pain Management – Partnering in Pain Management
14.50 – 15.20	Afternoon Tea: Exhibition and Posters	

Plenary	
15.20 – 17.00	Expert Panel of Speakers: Care of the extremely preterm infant <25 weeks
17.00	Sessions conclude for the day

Tuesday 7th May

Plenary	
08.30 – 09.20	Leadership in Nursing Howard Catton
09.20 – 09.50	Preterm infants' first breastfeeding attempts Dr Ragnhild Måstrup
09.50 – 10.20	Neonatal Pain Management Professor Marsha Campbell-Yeo
10.20-10.30	Morning Tea to go
10.30 – 11.30	Morning Symposium – MEDELA – GOLD SPONSOR: “Bonding and Binding towards Breastfeeding: How to drive Change inside Neonatal Care Teams” Chair: Stina Klemming, Sweden, Speaker: Thomas Kühn, Germany

11.30 – 12.45	Strengthening care practices in different contexts	Cross sectional partnerships and collaboration	Sleep and neuroprotective care.	Neonatal care in different crises	Supporting Health Care Quality and development in Neonatal Nursing
11.30 – 12.00	Strengthening Small and sick newborn care through a multidisciplinary approach Dr Theresa Shaver USAID	Bridging the gap between healthcare sectors Mette Petersen (114)	Tenna Gladbo Salmonsens And Jannie Haaber	Marsha?	48 Sustainability of the neonatal workforce, Linda Ng
12.00-12.15	Ms Lauren Allison Newborn Toolkit: Empowering neonatal nurses to strengthen and scale small and sick newborn care in low and middle-income settings	Mai-Britt Hägi-Pedersen Knowledge of mothers and fathers' experiences of the early in-home care of premature infants supported by video consultations with a neonatal nurse	Dr Valerie Lebel The postnatal experience of parents of a premature infant regarding their sleep, their infant's sleep, psychological well-being, and family functioning.	Dr Umar Muhumza Empowering Mothers as Partners in Neonatal Care: A Path to Healthier Newborns and Stronger Communities in Refugee Settings: A Case Study in Uganda	A/Prof Kaye Spence Reflection as a Catalyst for Learning: Insights from the FINE 2 Program

12.15-12.30	Mrs Rebecca Kirby Improved screening of retinopathy of prematurity (ROP): development of a target product profile (TPP) for resource-limited settings	Mrs Hanne Aagaard Parents' experiences of transitioning to home with a very-low-birthweight infant: A meta-ethnography	Mrs Joke Wielenga Heel warming for capillary blood sampling of VLBW infants is unnecessary.	Mr Ephraim Senkyire COVID-19 Vaccination hesitancy among breastfeeding women: a rapid review	Dr Mary Ani-Amponsah Nurses' Assistive Practice of Newborn Exchange Transfusion in Neonatal Hyperbilirubinemia Management
12.30-12.45	Mrs Patricia Louise Lowe Safe Passage: A Tripartite Progressive Agency Theory	Mrs Alice Muhayimana Strategies to sustain respectful maternal and neonatal care in rwanda:	Mrs Jannie Haaber Developing a structured non-pharmacological intervention for supporting infants during Less Invasive Surfactant Administration	Mrs Justine Parsons Sustainability in the NICU: How green can we be?	Dr Wakako Eklund Tiny and Forgotten? Urgency surrounding paucity of studies to bring new therapies to neonates. Nurses have a role to play.
12.45– 13.30	Lunch and Exhibition				

Workshops 13.30-15.00	Building relations to stop pain in the NICU Marsha Campbell Yeo and Matts Erikson Dr Mariana Bueno Mrs Renee Muirhead Dr Mega Hasanul Huda	Leadership in Neonatal Nursing Leaders from global neonatal societies XXXXXX (Julia Petty) mail a name	Achieving positive breastfeeding experiences for preterm infants and their parents Renee Flacking. Bente Silnes Tandberg
15.00 – 15.30	Afternoon Tea: Exhibition and posters		
15.30 – 16.00	COINN Annual General Meeting		

Plenary	
16.00 – 17.00	Expert Panel: Saving newborn lives globally – multidisciplinary partnership in global health
17.00	Sessions conclude for the day
Conference Dinner	

Wednesday 8th May

Plenary	
08.30 – 09. 10	POSTER WALK
	POSTER WALK

09.10 – 09. 50	Neonatal Palliative Care	Alex Mancini-Smith:
09.50 -10.30	Global impact of KMC and iKMC	Dr Hema Magge (might not come, but Debbie will present on fathers then)
10.30 – 11.15	Morning Tea and Exhibition	

Parallel Sessions					
11.15 -12.45	Strengthening neonatal care practices in different contexts	Partnerships in neonatal care	Neonatal Clinical procedures(?)	Innovations in clinical care	Supporting Health Care Professionals by mentorship and training
11.15 – 11.45	Medications we take for granted – caffeine Dr Merran Thompson	Partnering with parents and significant others, Helle Haslund-Thomsen	Neonatal Organ Donation Justine Parson	Vascular access device and management practice transformation for neonates Dr De August	Mentorship in neonatal nursing Malene Horskjær?
11.45 – 12.00	Mrs Sunna Guðrúnardóttir Herrmann Sustained improvement in hand and arm hygiene compliance among health personnel in a Danish level IV NICU	Ms Nadine Griffiths Stress and self-regulation behaviours during nurse-delivered caregiving for infants post-surgery.	Mrs Qin Yang External anatomical landmarks for urethral catheter positioning in male newborns: A prospective observational study	Dr Mariana Bueno The effectiveness of a multifaceted web-based resource in improving clinical pain practices in the NICU	Mrs Rebecca Kirby Target product profiles for neonatal care devices: systematic development and outcomes with NEST360 and UNICEF
12.00 – 12.15	Dr Miki Konishi Unexpected impact of the COINN book, Neonatal Nursing: Global Perspective connecting Japanese readers with global colleagues' challenges and opportunities.	Mrs Kristina Garne Holm Feeding practice, nutrition, and growth in Infants with abdominal wall defects and esophageal atresia: A retrospective	Dr Deanne August What lies beneath, accurate measurement and sequelae of neonatal mechanical skin injuries: A prospective diagnostic/feasibility study	Dr Helle Haslund-Thomsen Pilot testing auricular acupuncture as stress relieving intervention for parents to hospitalized infants in neonatal intensive care unit (NICU)	Dr Afeez Idowu The impact of low-dose high-frequency mentorship approach in enhancing newborn care in Nigeria
12.15 – 12.30	Ms Xiaojing Hu	Dr Julia Petty	Dr Henriette Van Zanten	Mona Labide	Miss Alysia Humphrey

	Application of PICC in NICU neonates: A single-center 10-year investigation	Exploring neonatal nurses' and parents' understanding of the factors that both enhance and hinder communication and early interaction between preterm infants and their parents.	Prediction of the position of the nasogastric tube in neonates admitted on a neonatal intensive care unit; a comparison of two methods	Transitional Newborn Care	Hatching Holistic Help: Cracking up with our Egg-citing Education Strategy
12.30 – 12.45	Dr Elizabeth Sharpe Intravenous Therapy & Neonatal Vascular Access – What nurses need to know about new standards and guidelines to inform global practices	Christine Persson Quality of couple-relationship and associated factors among parents of NICU-cared infants during the first year after birth	Mrs Susanne Soendergaard Kappel Nurses' and physicians' rationale behind clinical performance and interpretation of routine prefeed gastric aspiration in preterm infants. A cross-sectional study.	Anne Francis Baby steps: Our Neonatal Journey- A project to develop an alternative to neonatal parent passports	Mrs Maureen O'Dowd Lights, Camera, Action..... NeoSim: An Interprofessional Neonatal Education Quality Improvement Project
12.45 – 13.30	Lunch and Exhibition and Posters				
13.30 – 15.00 Workshops	Fathers in the NICU Anne Brødsgaard, Mette Petersen, Francine deMontigny	Writing for publication A/Prof Agnes van den Hoogen; A/Professor Julia Petty, Dr Breidge Boyle, Co-Editor for the Journal of Neonatal Nursing		Neurodevelopmental Care: Couplet Care Ylva Blomqvist and Victoria Karlsson	
15.00 – 15.30	Afternoon Tea, Exhibition				
Plenary					
16.00 – 16.20	Neonatal Awards				
16.20 – 16.50	Neonatal Nursing the way forward		Professor Carole Kenner		
16.50 – 17.00	Closing Address		Professor Karen Walker and Dr Helle Haslund-Thomsen		

Please Note: Program will be updated as abstracts are accepted and speakers confirm attendance.
